

SERVING THE AMERICAN VETERAN

ONE MISSION. ONE FORCE.

ABOUT FORCE 50

The Force 50 Foundation was born out of the Oklahoma Veterans Pilot Program, an initiative by the Office of the Governor to improve access to healthcare and veterans' resources.

The mission is to provide coordinated and timely support to Oklahoma veterans and their families. Specific mission objectives are:

- A** To focus on immediate and short-term actions designed to benefit the quality of life and provide opportunity for qualified Oklahoma veterans and their families.
- B** Create, integrate, involve, sustain and grow a collaborative network of Oklahoma veteran service organizations that will assist veterans and their families in meeting and overcoming quality of life and opportunity challenges.
- C** Provide opportunities to support and partner with other agencies and organizations committed to serving Oklahoma veterans and their families. Develop communications, links and processes by which veterans and their families may receive the necessary support and services from network members.
- D** Identify and support opportunities and efforts by organizations committed to improving healthcare access and service delivery methods for Oklahoma veterans and their families.
